

Flexible Engine Mountings

R & D Marine has developed a comprehensive range of fail safe competitively priced Engine Mountings to fit all major installations.

Shear mountings are available where good isolation is required and compression mounts where there is a restriction on the available space.

Installation is made as quick and easy as possible with slotted holes and height adjusting studs to simplify alignment.

Products are available ex-stock and worldwide through our distribution network.

- Capacity 30 2000 lbs per mount
